Welcome

On behalf of The Tax Institute and the Organising Committee, it gives me great pleasure to invite you to attend the Financial Services Taxation Conference, the leading conference for financial services taxation professionals in Australia, to be held from 27-28 March 2025 at Crown Sydney.

The financial services industry is facing increased regulatory compliance, technological disruption, economic headwinds, geopolitical changes and a range of ESG reporting obligations. These industry issues overlay a number of tax challenges for taxpayers which impact financial and business strategy, and compliance and reporting obligations.

The Organising Committee has once again designed an amazing program that highlights the most important topics facing financial services taxation professionals in Australia and has invited some of our best thought leaders from around Australia to deliver expert insights, experience and commentary at the Conference.

We will cover a range of tax technical, legal, accounting, policy, economic and political angles in the session content.

The program has plenary and breakout sessions that gives you a choice of sessions to best meet your industry and learning needs.

There will also be many opportunities to meet other financial services taxation professionals and network with friends, clients and colleagues.

I look forward to seeing you at the event.

Matt Osmond, CTA
Chair, Conference Organising Committee
